Compare parameters

Launch parameters of the two selected class3d jobs, side by side — left column: **Custom Error Face (t995)**.

Run A: Custom Error Face (t995) · Run B: Negative Diagnosis Face (t972) · printed Oct 30, 2026

PARAMETERS 66 identical

All 66 launch parameters identical across the selected jobs — the curve differences come from the data, not the settings.
